

On the Map of Africa:

- Shade in the Sahara Desert from pg. 156
- Identify the three West African Kingdoms: Ghana, Mali, and Songhai from pg. 163
- Trace the Trade routes from pg. 163
- Teacher will have students add in Gold and Salt Deposits, using different Symbols using teacher guidance from page 230 in the old text
- Students will create a key for the Sahara, trade routes, the gold and the salt, and the Kingdoms of Mali, Ghana, and Songhai

# MAPPING WEST AFRICA

Directions: Label the following items on your map of Africa. Be sure to be specific and make it neat and presentable. I want you to use different colors on your map!

- 1. Sahara Desert pg. 156
- 2. West African Trade Routes pg. 163
- 3. The West African Kingdoms of Mali, Ghana, and Songhai pg. 163
  - Make sure not to shade with dark colors because the kingdoms overlap one another.
- 4. Gold and Salt Deposits of West Africa Use Map to right
- 5. Map Key identifying the following:
  - The 3 West African Kingdoms
  - Gold Deposits
  - Salt Deposits
